

Name: _____ No _____ Class: _____ 7th Grade

Date: _____ Evaluation: _____

Tutor: _____ Teacher: _____

I

READ THE FOLLOWING TEXTS ATTENTIVELY.

Hello! My name is Peter and I'm 14 years old. I live in a villa in South Oxford, England and go to school nearby at Crosby High. I enjoy cycling there every morning and coming back home after school. That's why I have a hearty* breakfast. And also because I always have to run to catch the bus. I like jogging, watching TV and collecting stamps. The place where I live is very quiet, the usual suburban area with cats and dogs and people watering their gardens. What I don't like is the dogs running after me when I'm riding my bike!

I was born on 5th October 1990 in Crosby High and came out of my mom's womb* kicking* and screaming. I am tall and thin. My eyes are blue and I have got straight fair hair. I've got freckles. I have got two brothers, one older, the other one younger, but they are not too much trouble. I get along with them just fine. Sometimes we argue about this and that, but I usually win the argument because I'm very clever.

My best name's Rufus and he lives a few blocks away. We like exchanging stamps and jogging together. We're also experts at downloading music and spend hours doing so. Our favourite film is Scooby Doo and we like to watch it. We always laugh a lot!

Afternoons are spent doing what I like ... well, that and homework. At eleven pm I go to bed, tired after a long day. That's how I live my life.

Have fun! ☺

Peter

1. Are the following sentences TRUE or FALSE according to the text?
Quote the text to support your decision.

a) Peter's brothers aren't a problem to him. ____

“ _____ ”

b) He thinks he is very intelligent. ____
